Plaintiff Claire Harlam and Defendant Blue Diamond Growers respectfully submit this joint motion to adjourn the November 16, 2016 Initial Conference based on a nationwide class settlement.

Plaintiff's counsel has filed similar cases against Blue Diamond Growers regarding the labeling statements on its Almond Breeze products in the following jurisdictions: United States District Court for the District of Massachusetts, Los Angeles County Superior Court, United States District Court for the Eastern District of New York (this litigation), and the Circuit Court of Washington County, Arkansas.

The Parties have worked through all issues regarding the nationwide settlement documents, and the settlement agreement has been finalized and signed by all parties and counsel. The Parties' nationwide settlement resolves labeling claims concerning Blue Diamond Growers' Almond Breeze products, and Plaintiffs expect to submit the settlement agreement for preliminary court approval in the Arkansas case on November 14 or shortly thereafter. The settlement agreement calls for the dismissal of this action following final approval of the settlement in the Arkansas case and upon the Effective Date of the settlement agreement.

Accordingly, the Parties respectfully request that the November 16, 2016 Initial

Conference be re-set for a date on or after February 15, 2017.

WHEREFORE, the parties respectfully request that the Court enter an order adjourning the November 16, 2016 Initial Conference until on or after February 15, 2017.
